MEDITERRANEAN

Essence
Mediterranean essence

- White
- Pearl
- Linen
- Cooper
- Sienna
- Aquamarine

— The use of wicker and rattan, wrought iron, untreated wood, linen and cotton textiles are the predominant elements in this look.

Its characteristic natural landscapes with crystal clear coves transport us to the best summer of our lives. The Mediterranean is capable of mixing these materials in a vibrant, harmonious and vital way.

WHO WE ARE ?

Step into a realm where surfaces transcend expectations and redefine excellence. Empire Surface, a visionary powerhouse, captivates your senses and leaves an everlasting impression. With a global footprint spanning 30 countries, Empire Surface offers breathtaking surface solutions that elevate floors and coverings to unparalleled heights. From contracts to wellness havens, residential spaces to medical facilities, and leisure destinations to architectural masterpieces, Empire Surface fulfills every building and living aspiration with finesse. Embracing tireless innovation and forward-thinking vision, Empire Surface embodies artistry, technology, and excellence. With an unrivalled heritage built upon quality and expertise, Empire Surface commands a dominant position. But its commitment goes beyond convention.

Empire Surface dedicates itself to environmental stewardship. Meticulous research and sustainable practices yield exceptional products with the purest raw materials mirroring the grandeur of marble, the magnificence of granite, and the timelessness of ancient stone. These elements fuel Empire Surface's revolutionary collections, harmonizing pure materials, technology, and avant-garde design for enduring beauty and unrivalled durability.

Relentlessly embracing advancements, Empire Surface raises the bar for innovation. By harnessing cutting-edge tools, the company surpasses industry standards while safeguarding the environment against industrialization's perils, ensuring a sustainable legacy. In a world of constant evolution, Empire Surface pioneers groundbreaking solutions for the dynamic market and discerning clientele. With an impactful presence across the United States, central Europe, and beyond, Empire Surface transforms. Collaborating with select specialized retailers, it sets new standards of versatility and awe-inspiring offerings. Empire Surface is part of a larger group of companies, including Sungloss, established in 1993, which brings expertise in surface restoration and maintenance, while Vintage Tiles, established in 2010, specializes in the production of unique and exquisite tiles. Crystal Coal and Jemini Microns a leading supplier of bentonite for the ceramic industry and the largest importer of ceramic-grade bentonite and clay, and Empire Microns the largest importer of zirconium and pebbles. This comprehensive group of companies ensures a seamless supply chain and enables Empire Surface to deliver exceptional products with unmatched quality and innovation. Prepare for an extraordinary journey with Empire Surface, where surfaces become masterpieces of artistry and craftsmanship. Experience perfection, where innovation intertwines with elegance, and imagination knows no bounds. Welcome to Empire Surface, where dreams materialize, and surfaces become extraordinary storytellers, etching their mark upon your soul.

EMPIRE
SURFACES

The color palette focuses on natural tones. Greens and dark tones predominate, in addition to the purest whites. Solid woods, dark stones, the whitest marbles, tropical plants, ethnic motifs, and the odd vintage luxury items, such as chests or porcelain tableware, intermingle to create an atmosphere of exotic luxury from the past.

SPECIFICATION

**A GLOBAL FORCE:
EMPIRE SURFACES' UNPARALLELED
INTERNATIONAL REACH**

Empire Surfaces has embraced a resolute commitment to global expansion, transforming into a well-structured powerhouse. Today, we possess the capability to fulfil the unique demands of strategic markets worldwide. As a result, Empire Surfaces has emerged as a premier OEM partner for esteemed names within the global ceramic industry. Our international presence solidifies our position as a formidable force, dedicated to delivering exceptional surfaces on a global scale.

FORGE OF EXCELLENCE: EMPIRE SURFACES' DYNAMIC SUPPLIER NETWORK

At Empire Surfaces, we recognize the value of long-term strategic supplier relationships, crucial for driving our innovative pursuits toward sustainable development. We hold our suppliers to the highest standards of quality, ethics, and sustainability. We actively support them in their journey of continuous improvement and operational excellence. Our raw materials are sourced from renowned national and international suppliers, ensuring a seamless flow of exceptional resources that fuel our creative endeavors. Together, we forge a path of excellence, united in our commitment to delivering unparalleled surfaces to the world.

ENVIRONMENT, SOCIETY, PEOPLE

To innovate does not just mean developing exceptional ceramics, but combining product research with a philosophy of responsibility to the environment, society and people themselves.

THE REAL ENGINES ARE THE PEOPLE

Respect for the work is one of the cornerstones of our company ethics. We pay the utmost attention to the working conditions of our staff who demonstrate commitment, professionalism and passion each day.
